

## **Band Enrollment:**

Band is a year-long course of instruction. Students and parents should plan for the student to complete the entire school year of the course once they select it as an elective option.

## **Band Schedule Change Checklist**

- Does student have a serious medical issue?
- Does student have a serious mental health or emotional concern?
- Does student need to have their schedule adapted to accommodate their medical needs?
- Does student have a serious academic issue in core classes?
- Does student have a serious academic issue in band?
- Does student have the ability to effectively contribute to the band class?
- Does student have an unusual personal situation which makes remaining in band a hardship?
- Have there been any meetings between the teacher, parents, student, student services and any appropriate medical personnel?
- Have all other accommodations have been exhausted and found to be ineffective in meeting the needs of the student?
